

# Native Palm Animal Hospital

## BOARDING AGREEMENT

- All pets must be current on vaccinations and be free of intestinal parasites and heartworms. (Negative tests within the past year)
- Canine vaccinations required: Distemper/Parvo (DAPP), Bordetella for kennel cough, and Rabies.
- Feline vaccinations required: FVRCP, FeLV, and Rabies.
- It is your responsibility to provide NPAH with proof of vaccines. No animals will be allowed in the kennel area without vaccinations.
- Any pet that has fleas or ticks upon admittance will be bathed or have a prevention applied. This will be at the owner's expense.
- We also offer a bath for your pet if you request it. Pickup time will be in the afternoon to give your pet time to dry.
- We recommend Zylkene or Tranquilium as a natural supplement to help relieve stress and make your pet's stay more comfortable for them.
- No Sunday pickups.
- If your pet develops a sudden illness and we cannot reach you, NPAH will treat your pet at your expense.
