

# Native Palm Animal Hospital

## BOARDING AGREEMENT

- All pets must be current on Vaccinations and be free of intestinal parasites and heartworms.
- Canine Vaccination required: Distemper/Parvo/Corona, Kennel Cough and Rabies
- Feline Vaccinations required: Distemper, Leukemia, Rabies and Bordetella.
- It is your responsibility to supply NPAH with proof of vaccinations. No animal will be allowed in the kennel without vaccines.
- Any pet that has fleas or ticks upon admittance will be bathed or have a prevention applied. This will be at owners expense.
- We also offer a bath for your pet if you request it. Pick up time will be in the afternoon to give your animal time to dry.
- No Sunday Pick Ups.
- In case of a sudden illness and we cannot reach you. Native Palm Animal Hospital will treat your pet at owners expense.
